

Isaac T. Petersen

CONTACT INFORMATION	Dept. of Psychological and Brain Sciences University of Iowa 175 Psychological and Brain Sciences Bldg. Iowa City, IA 52242	<i>Phone:</i> (319) 467-1014 <i>Fax:</i> (319) 335-0191 <i>E-mail:</i> isaac-t-petersen@uiowa.edu <i>Web:</i> psychology.uiowa.edu/people/
LANGUAGES	English French	
RESEARCH INTERESTS	Clinical child psychology, developmental psychopathology, externalizing behavior problems, self-regulation, school readiness, developmental cognitive neuroscience	
ACADEMIC POSITIONS	Associate Professor Associate Professor, Department of Psychological and Brain Sciences, University of Iowa 2024–present Assistant Professor, Department of Psychological and Brain Sciences, University of Iowa 2017–2024 Primary Area: Clinical Science Research Groups: Developmental Psychopathology, Developmental Science	
LICENSURE	Licensed Psychologist Iowa Department of Public Health, Bureau of Professional Licensure 2018–present License #082502	
EDUCATION	Clinical Psychology Internship Western Psychiatric Institute and Clinic, University of Pittsburgh Medical Center, Pittsburgh, PA 2015–2016 APA-Accredited Predoctoral Internship in Clinical Psychology Ph.D. Indiana University, Bloomington, IN 2009–2016 Ph.D., Clinical Psychology, August 2016 <ul style="list-style-type: none">• Advisor: John Bates, Ph.D.• Major: Clinical Science• Minor: Cognitive Neuroscience• Dissertation: Neurophysiological mechanisms in the development of externalizing behavior problems in young children B.A. University of Texas, Austin, TX 2005–2008 B.A., Psychology, French, December 2008 <ul style="list-style-type: none">• With High Honors, Honors in Psychology, Honors in French• Psychology Honors Thesis: <i>Children's Syntactic Processing of Language</i>• French Honors Thesis: <i>Acceptability of French Borrowings in English</i>• Minor: Sociology (criminology track)	
AWARDS	University of Iowa <ul style="list-style-type: none">• Summer Research Opportunities Program (SROP) Mentoring Award 2019	

- National Institutes of Health (NIH)
- National Research Service Award (NRSA) Grant 2014–2015
 - Developmental Training Grant in Integrative Developmental Process 2011–2012
- National Science Foundation (NSF)
- Graduate Research Fellowship Honorable Mention 2010
- Indiana Clinical and Translational Sciences Institute (CTSI)
- Predoctoral Training Grant in Translational Research 2012–2013
- Society for Research in Child Development
- Student Travel Award 2011, 2015
 - Early Career Travel Award 2019
- Indiana University
- Graduate and Professional Student Organization Travel Award 2014
 - College of Arts and Sciences Travel Award 2014
 - Richard David Young Research Fellowship 2010, 2011
 - Outstanding Instructor for Experimental Research Methods in Psychology 2011
- University of Texas
- Phi Beta Kappa Society 2008–present
 - Psi Chi (Psychology Honors Society) 2008–present
 - Pi Delta Phi (French Honors Society) 2007–present
- Boy Scouts of America
- Eagle Scout 2001

GRANTS

- R01 HD098235 2020–2025
 Funding Agency: National Institutes of Health/Eunice Kennedy Shriver National Institute of Child Health and Human Development
 Role: Principal Investigator
 Grant Title: Cognitive Control in the Development of School Readiness in Early Childhood
 Direct Costs: \$1,087,028
 Indirect Costs: \$510,728
- R01 DC008089 2018–2023
 Funding Agency: National Institutes of Health/National Institute on Deafness and Other Communication Disorders
 Role: Co-Investigator (PI: McMurray)
 Grant Title: The Development of Real Time Spoken and Written Word Recognition: Cognitive Bases of Language and Education Outcomes
 Direct Costs: \$2,124,795
 Indirect Costs: \$1,657,382
- Neuroscience, Development, and Mental Well-Being Virtual Ideas Lab 2021–2022
 Funding Agency: University of Iowa
 Role: Co-Investigator (PI: Baran)
 Role: Principal Investigator
 Grant Title: Anxiety, Sleep, and Brain Maturation in Adolescence
 Direct Costs: \$75,000

UI Libraries' OpenHawks Open Educational Resources grant 2021
 Grant Title: Applied Textbook for Principles of Psychological Assessment
 Direct Costs: \$8,300

Old Gold Summer Fellowship 2018
 Funding Agency: University of Iowa
 Role: Principal Investigator
 Grant Title: Neurophysiological Processes in Self-Regulation and Externalizing Problems in Early Childhood

F31 MH100814
 Ruth L. Kirschstein National Research Service Award (NRSA) 2014–2015
 Funding Agency: National Institutes of Health/National Institute of Mental Health
 Role: Principal Investigator
 Grant Title: Neurophysiological Mechanisms in the Development of Externalizing Problems
 Direct Costs: \$77,368

Clinical and Translational Sciences Award 2012–2013
 Funding Agency: National Institutes of Health/National Center for Advancing Translational Sciences
 Role: Pre-doctoral trainee (PI: Anantha Shekhar, M.D., Ph.D.)
 Grant Title: Indiana Clinical and Translational Sciences Institute TL1 Program (TL1 TR000162)

National Research Service Award—Institutional Training Grant 2011–2012
 Funding Agency: National Institutes of Health/Eunice Kennedy Shriver National Institute of Child Health and Human Development
 Role: Pre-doctoral trainee (PI: Linda Smith, Ph.D.)
 Grant Title: Training Program in Integrative Developmental Process (T32 HD007475-17)

CLINICAL
EXPERIENCE

SUPERVISORY ROLE

Carl E. Seashore Psychology Clinic (Summer 2017–Present)

Duties: Supervised graduate students individually in empirically-supported protocols for a range of mental disorders in children, adolescents, and adults.

Site: University of Iowa—Dept. of Psychological and Brain Sciences—Iowa City, IA

Parent Behavior Training (Fall 2012–Spring 2015)

Duties: Supervised junior-level graduate students individually and in group settings following an empirically-supported parent behavior training protocol to treat children’s disruptive behavior disorders.

Site: Indiana University—Dept. of Psychological and Brain Sciences—Bloomington, IN

Supervisor: John Bates, Ph.D.

Evidence-Based Clinical Supervision Course (Spring 2014)

Duties: Read and discussed evidence-based information on the research, theory, and practice of supervision. Course content included practical skills for the implementation of evidence-based supervision as well as diversity and ethical issues relevant to supervision.

Site: Indiana University—Dept. of Psychological and Brain Sciences—Bloomington, IN

Supervisor: Cara Lewis, Ph.D.

Alternative Alcohol Intervention Program (Fall 2012–Summer 2013)

Duties: Trained and supervised junior-level students in their delivery of brief interventions and psychoeducation in an alcohol diversion program. Provided recommendations when students were competent to advance to individual therapists.

Site: Indiana University—Office of Student Affairs—Bloomington, IN

Supervisor: Walter Keller, Ph.D.

Evidence-Based Psychosocial Intervention Consultation (Fall 2011–Spring 2013)

Duties: Consultation with other doctoral students regarding evidence-based approaches to assessment and treatment. Met biweekly in group setting.

Site: Indiana University—Dept. of Psychological and Brain Sciences—Bloomington, IN

Supervisor: Cara Lewis, Ph.D.

CLINICIAN ROLE

Dual Diagnosis Inpatient Services (Summer 2016)

Duties: Conducted psychological evaluations and completed intensive therapy using a Motivational Interviewing (MI) approach for individuals with substance abuse problems and other serious mental health difficulties.

Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA

Supervisor: Antoine Douaihy, M.D.

Psychotherapy Training Clinic (Fall 2015–Summer 2016)

Duties: Conducted longitudinal, one-on-one therapy using various treatment modalities, including Cognitive Behavioral Therapy (CBT), Exposure Therapy, and Interpersonal Psychotherapy (IPT).

Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA

Supervisor: Jay Fournier, Ph.D.

Diagnostic Evaluation Center (Spring 2016)

Duties: Evaluated patients presenting to the WPIC psychiatric emergency room, determined preliminary diagnoses and disposition with attending psychiatrists, and arranged for necessary treatment arrangements.

Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisor: Christopher Parada, M.A.

Science and Practice for Effective Children’s Services (Winter 2016–Spring 2016)
Duties: Provided an evidence-based treatment for caregivers and their children dealing with child physical abuse (Alternatives for Families: A Cognitive Behavioral Therapy; AF-CBT). Provided behavioral health consultations and assisted in implementing a behavioral and mental service in a local, primary care practice in McKeesport, PA.
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisor: David Kolko, Ph.D.

Obsessive-Compulsive Disorder Intensive Outpatient Program for Children and Adolescents (Spring 2016)
Duties: Co-facilitated an Exposure and Response Prevention (ERP) group for children with OCD.
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisors: Shoshanna Shear, M.D., Amy Kelly, M.D.

Matilda H. Theiss Child Development Center (Fall 2015–Winter 2016)
Duties: Helped teachers in a therapeutic preschool manage classroom misbehavior, conducted functional behavioral assessments (FBAs) to make recommendations to teachers, and worked with families in Parent Management Training (PMT).
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisor: Kimberly Blair, Ph.D.

Family Therapy Training Center (Fall 2015–Winter 2016)
Duties: Provided structural family therapy treatment to families experiencing a wide range of psychiatric disorders, phase-of-life problems, and problems in coping with acute or chronic stressors.
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisor: Leonard Woods, LCSW

Behavioral Sleep Medicine (Winter 2016)
Duties: Conducted assessments of patients with insomnia and other circadian rhythm disorders, and implemented Brief Behavioral Treatment for Insomnia (BBTI), a modified version of CBT-I.
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisors: Brant Hasler, Ph.D., Daniel Buysse, M.D.

ADHD Across the Lifespan Clinic (Fall 2015)
Duties: Worked with children with ADHD and their families in intervention, and co-led skills groups for adults and college students with ADHD.
Site: University of Pittsburgh School of Medicine—Western Psychiatric Institute and Clinic—Pittsburgh, PA
Supervisor: Aaron Jennings, LCSW

Parent Behavior Training (Fall 2010–Spring 2015)

Duties: Trained parents to manage their children's oppositional and defiant behavior with principles from social learning perspective using Fleischman's family-based parent behavior training protocol. Conducted school and home observations as needed. Maintained a weekly caseload of 1–2 families. Videotaped each session for weekly individual, group, and online supervision. Collaborated with community mental health service providers, physicians, and school teachers.
Site: Indiana University—Dept. of Psychological and Brain Sciences—Bloomington, IN
Supervisor: John Bates, Ph.D.

Child Mood Disorders Clinic (Spring 2013–Fall 2013)

Duties: Provided cognitive behavioral therapy treatment to children with depression, anxiety, and other mood disorders, in addition to comorbid externalizing problems. Maintained a weekly caseload of 3–5 patients. Received weekly supervision.
Site: Riley Hospital for Children (Dept. of Child and Adolescent Psychiatry)—Indianapolis, IN
Supervisor: Ann Lagges, Ph.D.

Child Neuropsychology Assessment (Summer 2012–Fall 2012)

Duties: Conducted child and adolescent neuropsychology assessments for ADHD and learning disorders to help make treatment recommendations. Trained in testing, administration/scoring, behavioral observations, and preliminary case formulations. Received weekly supervision.
Site: Riley Hospital for Children (Dept. of Child and Adolescent Psychiatry)—Indianapolis, IN
Qualified Psychometric Technician: WISC-IV, K-BIT-2, WJ-III-Ach, SCWT, CIT, CCPT, CVLT-C, WRAML-2, VMI, TAT, SC, WASI-II (abbreviations defined in “Assessments” section)
Supervisor: William Kronenberger, Ph.D.

Alternative Alcohol Intervention Program (Fall 2011–Summer 2013)

Duties: Conducted brief motivational interviewing and behavioral intervention strategies for students struggling with alcohol and drug misuse and associated negative academic and legal ramifications. Maintained a weekly caseload of 7–10 individual clients. Received weekly supervision.
Site: Indiana University—Office of Student Affairs—Bloomington, IN
Supervisor: Walter Keller, Ph.D.

Child-Informed Divorce Mediation (Fall 2009–Spring 2010)

Duties: Served as a child consultant to bring the children's perspective into divorce mediation and help parents consider their children's needs. Conducted child and family assessments, and delivered feedback to parents in divorce mediation. Received weekly supervision.
Site: Indiana University—Dept. of Psychological and Brain Sciences—Bloomington, IN
Supervisor: Amy Holtzworth-Munroe, Ph.D. and Brian D'Onofrio, Ph.D.

RESEARCH
EXPERIENCE

Principal Investigator, Developmental Psychopathology Lab (Spring 2017–present)
University of Iowa—Dept. of Psychological and Brain Sciences

Doctoral Student, Social Development Laboratory (Fall 2009–Fall 2016)
Indiana University—Dept. of Psychological and Brain Sciences
Advisor: John Bates, Ph.D.

Dissertation: “Neurophysiological mechanisms in the development of externalizing behavior problems in young children”

Experience: Used longitudinal designs to examine the mechanisms involved in the development of self-regulation, conduct problems, and maladjustment. Developed system for sharing and merging data across sites as part of multi-site NIH grant. Conducted EEG assessments with 2–3-year-old children for dissertation.

Psychology Honors Project and Thesis (Spring 2008–Fall 2008)

University of Texas—Dept. of Psychology

Advisor: Charles Holahan, Ph.D. and Catharine Echols, Ph.D.

Thesis: “The role of maturational constraints in the syntactic processing of language by children and adults: a study of the less-is-more hypothesis with American Sign Language”

Experience: Designed and conducted honors project examining how children acquire second languages better than adults.

French Honors Project and Thesis (Spring 2008–Fall 2008)

Indiana University—Dept. of French & Italian

Advisor: Carl Blyth, Ph.D.

Thesis: “Des facteurs linguistiques et sociolinguistiques de l’acceptabilité des emprunts français en anglais” (Linguistic and sociolinguistic factors of acceptability of French borrowings in English)

Experience: Designed and conducted honors project examining the characteristics of French words that lead to their usage in English.

Research Assistant, Children’s Research Laboratory (Spring 2006–Spring 2007)

University of Texas—Dept. of Psychology

Advisor: Catharine Echols, Ph.D.

Experience: Conducted longitudinal, cross-cultural study on language acquisition in infants (9, 13, 18 mos.). Studied the effects of priming on elicited sentence structure in 4 year olds.

TEACHING
EXPERIENCE

Course Instructor

Undergraduate:

- Childhood Psychopathology (Fall 2023)
- Introduction to Clinical Psychology (Spring 2017, Fall 2017, Fall 2018, Spring 2019, Fall 2019, Spring 2023)
- Methods of Experimental Psychology (Fall 2011)

Graduate:

- Principles of Psychological Assessment (Spring 2020, Fall 2021, Spring 2024)

Guest Lecturer

- “Psychological Disorders of Childhood”, *Abnormal Psychology* (Fall 2009)
- “ADHD”, *Clinical Neuroscience* (Fall 2011, Spring 2011, Fall 2014)
- “Genes and Behavior”, *Clinical Neuroscience* (Spring 2011)
- “Parent Management Training: In Practice”, *Behavior Modification* (Fall 2017, Fall 2024)
- “Clinical Interviewing with Children”, *Interviewing Skills Seminar* (Summer 2020, Spring 2021, Spring 2023)

Assistant Instructor

- Behavioral Disorders of Childhood and Adolescence (Fall 2009)
- Abnormal Psychology (Fall 2009, Spring 2010, Fall 2010)
- Clinical Neuroscience (Spring 2010)

Other

- Preschool Teacher (Spring 2009–Summer 2009)
- English Teacher at Professional French Business School (Fall 2007)
- After-School Elementary Teacher (Fall 2006–Spring 2007)

WORKSHOPS

Statistics Training

- Factorial Invariance in Multiple Group and Longitudinal Models (2011, University of Michigan), Todd Little, Ph.D.
- The Bayesian Perspective in the Context of Large Scale Assessments (2011, Indiana University), David Kaplan, Ph.D.
- Interpreting Interaction Effects and New Perspectives on Interaction Analysis (2011, Indiana University), James Jaccard, Ph.D.
- Structural Equation Modeling: Advanced Longitudinal Modeling (2010, University of Kansas), Todd Little, Ph.D.

EEG/ERP Training

- EEG Workshop on Artifact Detection, Rejection, and Removal (2012, Indiana University), William Hetrick, Ph.D. and Paul Kieffaber, Ph.D.
- ERP Data Collection, Processing, and Analysis with Children (2011, University of Nebraska), Dennis Molfese, Ph.D.

Clinical Training

- Telepsychology Best Practices 101: Clinical Evaluation and Care: Cultural Competencies; Documentation (2020, American Psychological Association), Marlene M. Maheu, Ph.D..
- Motivational Interviewing: Research, Practice, and Dilemmas (2017, University of Iowa), Antoine Douaihy, M.D.
- Fostering a Safe Base for Trainees to Learn, Develop and Acquire Competence (2016, Western Psychiatric Institute and Clinic), Paula Ravitz, M.D.
- Unified Protocol for Transdiagnostic Treatment of Emotional Disorders (2016, Western Psychiatric Institute and Clinic), Shannon Sauer-Savala, Ph.D.
- Structured Clinical Interview for DSM-IV-TR Axis I Disorders (2012, Indiana University), Cara Lewis, Ph.D.
- Child Inclusive Dispute Resolution (2009, Indiana University), Jennifer McIntosh, Ph.D.

Grant Writing Training

- Writing a NARSAD Young Investigator Application (2019, University of Iowa), Iowa Neuroscience Institute
- Grant Proposal-Writing Workshop, Phase II (2019, University of Iowa), Grant Writers' Seminars and Workshops
- Grant Proposal-Writing Workshop, Phase I (2018, University of Iowa), Grant Writers' Seminars and Workshops
- NIH R01 Writing Boot Camp (2018, University of Iowa), Research Development Office in the Office of the Vice President for Research and Economic Development
- Planning and Writing Successful Proposals (2017, University of Iowa), AtKisson Training Group

Formal Ethics Training

- Responsible Conduct of Research Series: Collaborative Science (2013), Office of Research Ethics, Education & Policy, Indiana University
- Responsible Conduct of Research Series: Mentorship (2013), Office of Research Ethics, Education & Policy, Indiana University

- Responsible Conduct of Research Series: Authorship and Publications (2013), Office of Research Ethics, Education & Policy, Indiana University

Teaching Training

- Challenging Conversations in the Classroom: Practical Strategies for Facilitating Robust, Inclusive, and Civil Debate (2017, University of Iowa), [Center for Teaching](#)

- Introduction to Conflict Management for Supervisors (2018, University of Iowa), [UI Learning and Development](#)
- Helping the Troubled Employee: What Every UI Supervisor Should Know (2018, University of Iowa), [UI Learning and Development](#)
- Difficult Conversations for Supervisors (2018, University of Iowa), [UI Learning and Development](#)

PROFESSIONAL EXPERIENCE

Village Church Child and Family Development Center, Prairie Village, KS

Preschool Teacher 2009

- Taught 4–5-year-olds at a preschool, prepared lessons

IMS Business School, Nantes, France

English Teacher 2007

- Prepared lessons, taught English classes to native French students in a professional business school

Community New Start, Austin, TX

After-School Teacher 2006–2007

- Provided under-privileged elementary school children with an after-school program for tutoring, mentoring, recreational activities, and spiritual awareness

PROFESSIONAL SERVICE Ad Hoc Reviewer, Psychosocial Development, Risk, and Prevention (PDRP) Study Section, National Institutes of Health (NIH) 2021–2021
 Faculty Assembly, College of Liberal Arts and Sciences, University of Iowa, 2017–2021
 Clinical Science Student Representative, Indiana University 2014–2015
 Advisory Board, Workshop in Methods, Indiana University 2012–2015

AFFILIATIONS Hierarchical Taxonomy Of Psychopathology (HiTOP) Consortium 2023
 Iowa’s Hawkeye Intellectual and Developmental Disabilities Research Center 2023
 International Society for Research in Child and Adolescent Psychopathology 2022
 Scanlan Center for School Mental Health 2021
 Licensed Psychologist in the State of Iowa (#082502) 2018
 Iowa Neuroscience Institute, University of Iowa 2017
 DeLTA Center, University of Iowa 2017
 Behavioral-Biomedical Interface Training Program, University of Iowa 2017
 Iowa Psychological Association 2017
 Society for a Science of Clinical Psychology 2015
 Society for Research in Child Development 2010
 American Psychological Association 2010
 Association for Psychological Science 2009
 American Association for the Advancement of Science 2009
 Phi Beta Kappa Society 2009
 Psi Chi (Psychology Honors Society) 2008
 Pi Delta Phi (French Honors Society) 2007

ASSESSMENTS Beery-Buktenica Developmental Test of Visual-Motor Integration (VMI)
 California Verbal Learning Test–Children’s Version (CVLT-C)
 Conners’ Continuous Performance Test II (CCPT)
 Counting Stroop Interference Test (CIT)
 Differential Ability Scales-II (DAS-II)
 Kaufman Brief Intelligence Test-2 (K-BIT-2)
 Peabody Picture Vocabulary Test-4 (PPVT-4)
 Stroop Color and Word Test (SCWT)
 Tendler Sentence Completion Test (SC)
 Thematic Apperception Test (TAT)
 Wechsler Abbreviated Scale of Intelligence-II (WASI-II)
 Wechsler Intelligence Scale for Children-IV (WISC-IV)
 Wide Range Assessment of Memory and Learning-2 (WRAML-2)
 Woodcock-Johnson III Tests of Achievement (WJ-III-Ach)
 Woodcock-Johnson III Tests of Cognitive Abilities (WJ-III-Cog)

TECHNICAL SKILLS Neurophysiological Techniques: Electroencephalography (EEG), Event-related potentials (ERPs)

Statistical Analysis: Multilevel Modeling/Hierarchical Linear Modeling (MLM/HLM), Structural Equation Modeling (SEM), Moderated Multiple Regression, Principal Components Analysis (PCA), Latent Growth Curve Modeling (LGCM), Longitudinal Mediation Analysis, Cross-Lagged Autoregressive Panel Modeling, Latent Change/Difference Score Modeling (LCS/LDS), Autoregressive Latent Trajectory Modeling (ALT), Multiple Imputation, Item Response Theory (IRT)

Statistical Software: R, Mplus, SPSS, SAS, OpenMx, AMOS, MATLAB, ERP PCA Toolkit, Amelia

Computer Applications: Net Station, T_EX (L^AT_EX, B_IB_TE_X, Beamer), GitHub, REDCap, most common productivity packages for Windows

Operating Systems: Microsoft Windows, Apple OS, Linux
